## MIHAELA PLESA ANNOUNCES RUN FOR TEXAS HOUSE DISTRICT 70

*Experienced Legislative Director and Lifelong Texan Seeks to Represent Constituents from Newly Drawn House District in Collin County*

Collin County, TX – Mihaela Plesa, Democratic candidate for Texas House of Representatives House District 70, announces her candidacy for the newly drawn district which encompasses parts of North Dallas, Richardson, Plano and Allen. Plesa is an experienced voice in Austin with many legislative accomplishments and offers institutional knowledge of policy making. Most recently, she successfully worked toward the passage of Proposition 8, on the November constitutional amendment ballot, which provides a homestead property tax exemption for the surviving spouse of a military member “killed or fatally injured in the line of duty.”

Plesa states: ***“My bid to run for The Texas House of Representatives comes from my passion for civic justice and a deep love for the state of Texas. However, just because I am proud to be a Texan doesn’t mean that I can’t criticize the state for its questionable decisions. I hold an intrinsic belief that every Texan has a right to access basic human needs such as electricity, clean water, comprehensive healthcare, and an education that sets one up for success.*”**

***As a Legislative Director at the Texas Capitol, I have had a front row seat to the ‘theater of the absurd’ we call our state Legislature. I have heard the rhetoric and I have witnessed constituents die from it. Texas doesn’t just deserve better, Texans can’t risk continuing to elect candidates who are unwilling to unite our community and stand up against foolishness. I will never stop fighting to represent all Texans and protect our values.***

***I am going to knock on every door and start with - “How can your state be of service to you?” because at the end of the day I know that constituent services are the key to an effective leader. This is a people-powered ‘grass seed campaign’, where everyday a new volunteer is making a big difference and helping to grow our ‘roots.’ I look forward to serving my neighbors in House District 70 with the same dedication and community-centered approach I’ve brought to the Texas Legislature every day for the past five years and hope to build on our shared success.***
